NSI Celebrates Pay Roll Savings Day throughout the Country

It has been an endeavour of NSI to provide savings products suitable to the needs of various strata of society. Pay Roll Savings Scheme is an exclusive scheme to meet the requirement of the salaried class across the country who want to have a regular saving every month. In this system of savings, the employee gives an authorization to the employer to deduct a fixed amount from the salary for opening a Recurring Deposit Account, Public Provident Fund Account and to purchase NSC VIII issue from designated Post Office, This system makes savings automatic and regular for the employee and the employee does not have to go to the post office for depositing the amount.

To highlight the importance of Pay Roll Savings Scheme and give more thrust to the personal savings, NSI every year celebrates 15th July as Pay Roll Savings Day. This year also, the Pay Roll Savings Day was celebrated throughout the country at Regional Centers on 15th July 2008.
